

ISLEHAM UNDER FIVE'S ASSOCIATION

Isleham Pre School is managed by an elected committee of parents. It is situated in the grounds of the local school in the village of Isleham. Children who attend the setting come from mixed socio economic backgrounds. They are drawn from Isleham and the surrounding villages.

Sun Protection Policy

At Isleham Pre-school we want staff and children to enjoy the sun safely.

In order to achieve this: -

Education

- Sun protection is discussed interactively with all children.
- Staff understand the importance of sun protection.
- Parents are informed of the importance of sun protection.
- Sun protection posters are displayed on notice board.

Clothing

- We will actively encourage all children to wear a hat when playing outside.
- Spare hats are available for children who forget their own.
- All staff have agreed to wear hats when outside to set a good example.
- Children are allowed to wear UV protective sunglasses.

Sunscreen

- Written permission is sought from parents for staff to apply sunscreen to children if needed. This permission slip is included on registration form.
- Parents/Carers are reminded to apply sunscreen to their child in the summer newsletter.
- Children are encouraged to apply sunscreen themselves with supervision.
- The pre-school provides 'Garnier Ambre Solaire factor 60' free of charge if parent/carer forgets to apply sunscreen to their child prior to coming to pre-school.

Shade

- Seats and equipment are moved to shady area.
- Organised activities make use of the shade available.

This policy was adopted at a pre-school meeting (date).....

Signed on behalf of the pre-school.....
